

Danish Invasion: Simon Talbot embarks on a European tour with a new standup-show in English.

Simon Talbot has just recently finished his epic tour with the show 'Make Denmark Great Again' before another adventure takes shape. This time the Danish comedy star aims towards world domination and embarks on a tour across all of Europe with a new standup-show in English entitled 'Danish Invasion'.

What do you do, when you appear at the peak of your career as one of Denmark's most successful comedians in the eyes of the world, but struggle internally with restlessness? You shake everything up and start all over. For an extended period Simon Talbot lived in the United States as his latest comedy hit 'Make Denmark Great Again' began to take shape. In recent years he has travelled a lot outside Denmark, with the idea and vision of creating the best one-man-show imaginable – in English.

In 2020 Talbot returns to the stages all over Scandinavia as well as the UK to realize the dream of his first standup-show in English. According to Simon himself, the new show will be his most personal and intimate so far. The audience can look forward to hilarious stories from Talbot's upbringing: a childhood as a Jehova's Witness; his Irish father who loved a drink or two; the experiences of being a Dane in both the UK and the US; his own observations from starting all over and much more.

Simon is one of Denmark's true comedy darlings who has delivered rock solid entertainment with enthusiasm and captivating storytelling. His one-man-shows 'Damp' (2011), 'Talle Alene i Verden' (2014), 'Mr. Copenhagen' (2016) and the recent success 'Make Denmark Great Again' (2018) have drawn huge crowds and established him as a force to be reckoned with.
